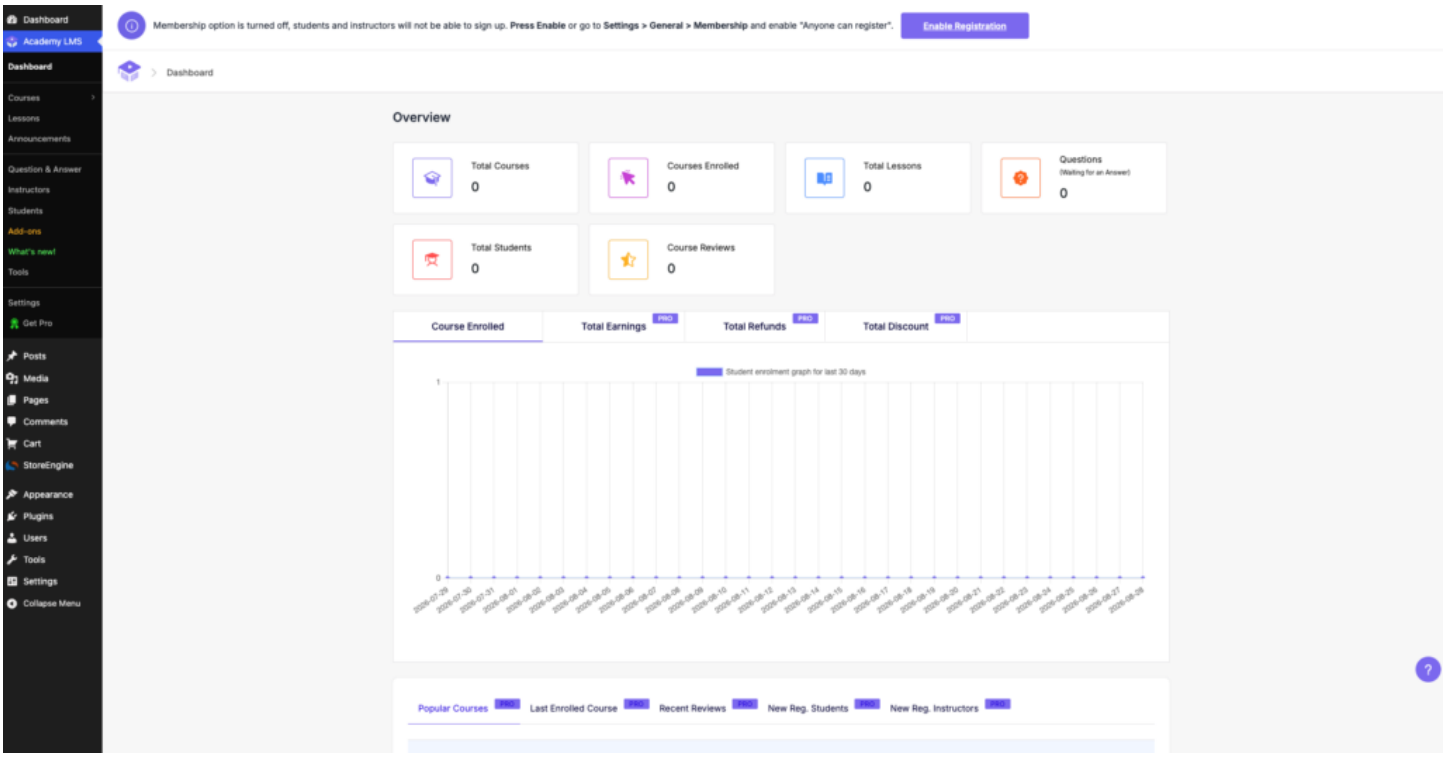
Academy LMS

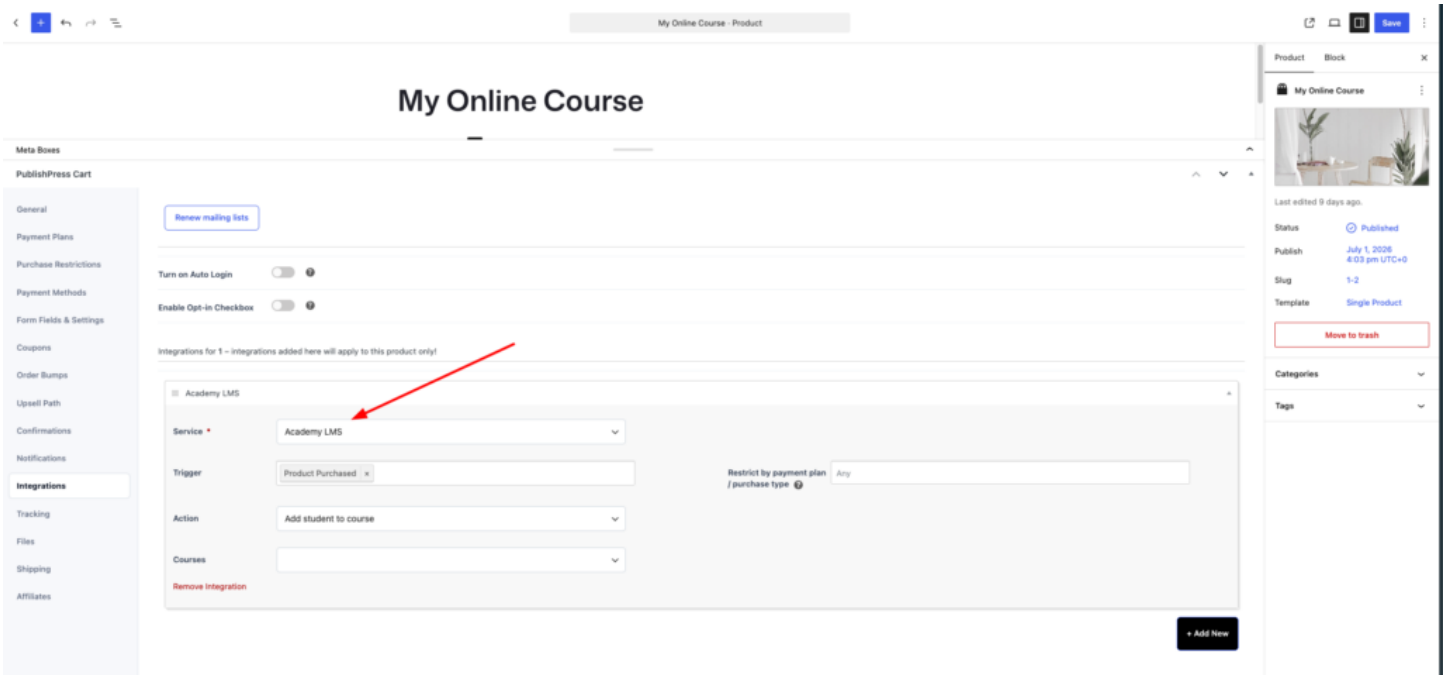
Integrations · https://publishpress.com/knowledge-base/academy-lms/

Do you use Academy LMS? PublishPress Cart has direct integration for Academy LMS that allows you to automatically enroll or cancel new subscribers in a course. You can integrate it by installing the Academy LMS plugin on your WordPress site.

How To Integrate Academy LMS With PublishPress Cart



1. Make sure your website has installed and activated Academy LMS plugin.
2. If you have Academy LMS activated, when you create a product on PublishPress Cart, you should be able to see it listed in the integration tab:



There are 2 actions available:

- Add student to course
- Remove student from course
