Alphabetical Tag Cloud – Themes

Alphabetical Tag Cloud · https://publishpress.com/knowledge-base/alphabetical-tag-cloud-themes/

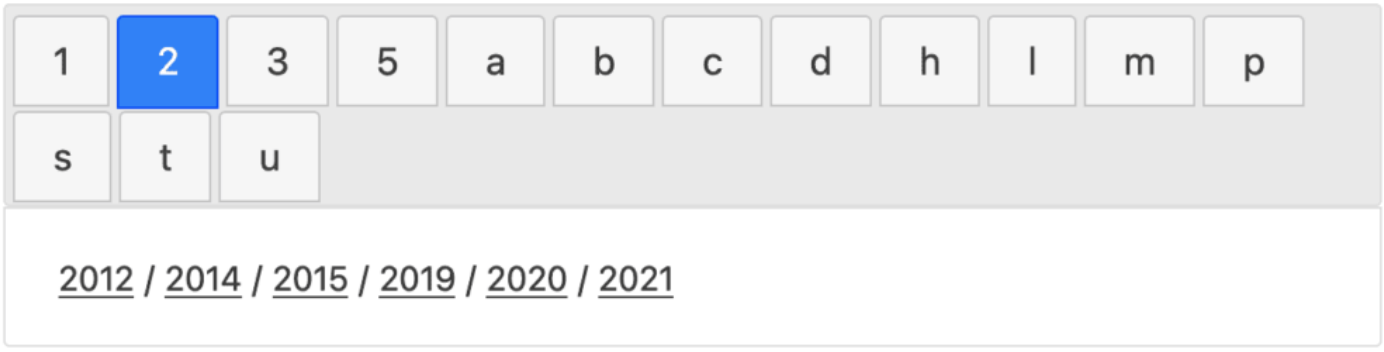

The Alpabetical Tag Cloud allows you to display a tag cloud with your groups organized into tabs for their first letters. The Free version of the Tag Groups plugin provides one theme called "Delta" for your Alphabetical Tag Cloud layouts. You can see a preview of "Delta" in this screenshot below:

The Pro version of the Tag Groups plugin provides more themes, plus the ability to create your own themes. To choose a default theme, go to
"Tag Groups" in your WordPress admin menu, then "Front End" and "Themes and Appearance".
